

2020 PREPARATION FOR CONTINUATION OF NGO PSYCHOSOCIAL WORK IN TT.

Tuesday, the 17th day of December, 2019, I delivered Data on *Men's Activism, by 2 NGO's, since 1994, here in Trinidad and Tobago*, to Parliamentarians and others. *(25, 10 and 1 year resp.)*

Some at the Mail Room Parliament, Wrightson Road, Port of Spain, the Opposition Leader's Office on Charles Street, Port of Spain and the PNM Headquarters in Newtown, Port of Spain, as the Parliament was in recess and a Notice in the Mail Room, directed that all mail to MP's have to go there, or to their Constituency Offices.

The President, Her Excellency Paula Mae-Weeks and our Treasurer, also got the envelopes. The Speaker of the House of Representatives, the President of the Senate, the Chief Parliamentary Clerk the Head Librarian for the Parliament Library, got theirs, at the Mail Room.

Have some more to give today, including Dr. Jerome Teelucksingh, President IMDTT. The work by *Men Against Violence Against Women (MAVAW), International Men's Day TT (IMDTT)*, Week with NALIS, was in the envelopes, 23 single pages data total, all of which are in full detail on our Cloud archive <https://www.archive.org/details/@mavawsec>. *Free downloads of all.*

The Front Covers of the nine (9) most important Desktop Published Textbooks by MAVAW, were included. More envelopes have to be completed and delivered, as we prepare for another active year, 2020, in this vital psychosocial outreach, in beloved Trinidad and Tobago. *Page List after:-*
